take the series!  
With Jessica Karels

**This class is an online Zoom class and pre-payment, and registration is required.**

### Class Descriptions:

**Class 1: SONIC system** - During this session you will learn how to utilize 5 techniques to decipher a Tarot card's meaning so that you can read intuitively... even if you don't have a psychic bone in your body! Bring your own Tarot deck so that you can build a deeper connection with your own cards.

**Class 2: The Major Arcana** - The Major Arcana are 22 cards in the Tarot deck that represent archetypal themes and life lessons. We will guide you through a couple of exercises to gain familiarity with the Major Arcana so that you can more confidently interpret the meanings of these cards in your Tarot readings. The last third of the class will focus on exercises using Majors-only Tarot spreads so that you can gain confidence in doing Tarot readings for yourself and others. Bring your own Tarot deck so that you can build a deeper connection with your own cards.

**Class 3: Minor Arcana, Part 1** - The Minor Arcana are 56 cards that represent our day-to-day experiences. In this session we will focus on the suits of Swords and Wands. Fire and Air. Thought and Action. We will explore the symbolism and numerology within these two suits so that you can interpret the meanings of these cards and how they can play off of each other. The last third of the class will focus on exercises using these cards so that you can gain confidence in reading for yourself and others. Bring your own Tarot deck so that you can build a deeper connection with your own cards.

**Class 4: Minor Arcana, Part 2** - The Minor Arcana are 56 cards that represent our day-to-day experiences. In this session we will focus on the suits of Cups and Pentacles. Water and Earth. Emotional and Material. We will explore the symbolism and numerology within these two suits so that you can interpret the meanings of these cards and how they can play off of each other. The last third of the class will focus on exercises using these cards so that you can gain confidence in reading for yourself and others. Bring your own Tarot deck so that you can build a deeper connection with your own cards.

**Class 5: Combinations & Spreads**, - Putting it All Together Tarot Spreads are frameworks where we can combine multiple cards in order to gain deeper insight about our world and ourselves. In this session we will focus on how to compare and contrast cards within a combination so that you can see how the individual meanings play off of each other. We will also explore multiple Tarot spreads ranging from simple to complex that you can utilize in your day to day spiritual practices. Bring your own Tarot deck so that you can build a deeper connection with your own cards.
